

Get \$0 at-home COVID-19 tests at CVS Pharmacies

Starting February 15, 2022, get \$0 at-home over the counter (OTC) COVID-19 tests at most CVS Pharmacy locations. *

At-home COVID-19 tests are covered by many insurance plans*

Non-Medicare/Medicaid insurance plans may cover up to eight at-home COVID-19 tests per month. Returns will not be accepted.

Get tests paid for up front

For your insurance to cover the cost of an at-home COVID-19 test up front, place an order online for store pickup.

Pay out of pocket for tests

Shop online for at-home COVID-19 tests, save your receipt, and submit a claim to your health insurance plan for reimbursement. If you have non-qualifying insurance, or have met your monthly limit, you can still shop and pay out of pocket.

Enter Member ID without spaces.

RxBin

RxGRP

If the primary cardholder has insurance through an employer, look for RxGRP.

RxPCN

If RxPCN is on the insurance card, enter it so we can bill the insurer.

Once your order is ready, we'll send you an email or text. Then stop in and see any CVS Pharmacy cashier at the front of the store** and provide your name and confirmation code to pick it up.

Please note, online ordering is for members with employer-sponsored medical coverage. Medicare and Medicaid members can visit their local CVS Pharmacy in person.

** Does not include CVS pharmacies located in Target or Schnucks Pharmacies.*

*** Tests are not available in the drive-through. Orders not picked up within 72 hours will be cancelled*
