

Information for employees enrolled in an USG Anthem Healthcare plan (Consumer Choice HSA, Comprehensive Care, or BlueChoice HMO plan)

November 2, 2021

We wanted to make you aware that Anthem and Northside Hospital System are currently in contract negotiations. If an agreement isn't reached by December 31, 2021, Northside Hospital System will be out of network for the USG Anthem plans – Consumer Choice HSA, Comprehensive Care and BlueChoice HMO – as of January 1, 2022.

If an agreement is not reached by January 1, 2022, employees and dependents enrolled in the Anthem plans who utilize Northside doctors or facilities will be subject to out-of-network benefits coverage unless they are approved for Continuation of Care. If you are currently in treatment with a Northside provider, you will receive information about Continuation of Care from Anthem in the next few weeks.

Information about the negotiations is available on the Anthem website at anthem.com/northside.

Sincerely,
USG Benefits
